

Exhale the Longing

Jamie Lipe

C Gm F C
Looking out over the future I know You're waiting there
C Gm F C
Gathering dreams inside Your glory, a story untold
C Gm F C
About a girl who was made to walk on water and greater than this
C Gm F C
To look deep in the unseen of Your presence and follow You there

C Gm C Gm
I want to run with You
C Gm C Gm
Where earth and heaven collide
C Gm
In the wide open spaces of Your heart
F
You're calling me to be free
C Gm
As I exhale the longing of my heart
F C C Gm F C
The deep is satisfied

C Gm F C
Never wanna despise where you lead me 'cause You see the end of time
C Gm F C
There's a scroll in heaven that is written with the race marked 'only mine'
C Gm F C
About a boy who was made to bring down giants, Defiance torn down
C Gm F C
And the glory of God lifted higher, Oh fire come down!
