

No Idols

Jamie Lipe

F#m D Esus E
So much in the way, So much in today that steals my time
F#m D Esus E
So many shiny things, So many blinding things that dull my mind

Bm F#m Esus E
When it's only getting harder to breathe
Bm F#m Esus E
In a world captivated with itself

F#m D Esus E F#m D Esus E
I am Yours..... I am Yours
F#m D Esus E F#m D Esus E
I will have no idols..... No..... I am Yours

F#m D Esus E
I will have no idols standing in the way of the One I love
F#m D Esus E
No idols standing in between me and You
F#m D Esus E
I will have no idols blocking my view of the One I love
F#m D Esus E
No idols fooling me to stay away from You

(Ending)
