

Wait For the Rain

Jamie Lipe

D E F#m A Esus
It's a long and weary road living in the fight
D E F#m A Esus
When holding on to hope is like embracing the wind
D E F#m A Esus
But I assure things will turn around if you keep on holding on
D E F#m A Esus
'Cause perseverance always brings a promise and the promise is in the rain

 D E F#m E/G# A Esus
So wait for the rain ooh ooh ooh ooh
 D E F#m E/G# A Esus
Wait for the rain ooh ooh ooh ooh

 F#m D2 A Esus
Just wait for the rain, Don't grow weary, Don't grow faint
 F#m D2 A Esus
Your season will change, Don't grow weary, Don't grow faint

(D E F#m E/G# A Esus)

 D E F#m E/G# A Esus
Never give up on life, Never give up on life, Never give up on life
 D E F#m E/G# A Esus
Never give up on life, Never give up on life, Never give up on life
