

## Why Not Here

Jamie Lipe

I want to create a place for You to come in all Your glory  
I want to create a place for You to come in all Your glory  
Come...

Why not here? Why not now? All creation groans to see You  
Why not here? Why not now?

Why not here? Why not now? All creation groans to see You  
Why not here? Why not now? Your Bride is longing for Your Presence  
Why not here? Why not now? All creation groans to see You  
Why not here? Why not now? Your Bride is longing for Your Presence

How we long for Your Presence, How we long for Your Presence

We sing Glory to You oh Ancient of Days  
You are the Lion, Victorious, You reign
